

Calandra Gantt Technical Rider for Band

Keyboard

- Yamaha Motif 88-Key (or comparable) and Korg 61-key (or comparable) on double tier stand.
- Roland 100 Watts amplifier w/ direct out or a compatible quality amp

Drums

- 5 pc drum set including hardware (Hi-Hat, Splash Cymbal, Crash Cymbal, and Ride Cymbal)
- Drummer will have drumbeat machine
- 6x8 Carpet piece or rug underneath drum set
- Small monitor and drums should be microphoned

Saxophone

- Wireless Mic (Saxophonist will provide – just needs to plug in to the system)

Bass Guitar

- Standard Amp for Performing

Lead Guitar

- Standard Amp for Performing (Guitarist will have electric board for floor)

Other Equipment:

- a minimum of 4 monitors if possible. We would like each musician to have a monitor.

Vocals:

- 1 – Artist (cordless mic preferably) (If not available artist will have her own.)
- 3– Background Vocals (3 Microphones and stands)

Lighting:

Standard lighting for artist, Artist photo/logo/PowerPoint on projection screen (if applicable)

Please let us know if a backline will not be available or if any of the requests regarding the equipment cannot be provided, so we can plan accordingly.
